ADDRESSOGRAPH OR PATIENT LABEL

PATIENT INFORMATION									REQUESTING PHYSICIAN			
Last Name			First and Middle Names					Name		MSC		
Date of Birth dd/mmm/yyyy Gend			der Male Female Non Binary/Other/not disclosed					closed	Phone	Fax		
PHN			BC Cancer ID			Cerner MRN			Address	<u> </u>		
SPECIMEN												
Specimen Type FFPE Block						ion Date dd/mmm/yyyy			NOTE: PHYSICIAN SIGNATURE REQUIRED (BELOW)			
Plasma ccfDNA	Referring Lab/Hospital Sample ID Tissue					Туре			COPY PHYSICIANS (ALL INFORMATION IS NECESSARY)			
CGL Specimen Other	Tumour Specia					nen			Name MSC			
						Cellularity (%)			Address			
REASON FOR TESTING / DIAGNOSIS / CLINICAL HISTORY (REQU						IRED FOR TEST TO PROCEED)			Name		MSC	
									Address			
						Name MSC				MSC		
									Address			
INDICATION						MOLECULAR TESTING FFPE BLOCK WILL BE SCROLLED OR CORED						
Breast Cancer Metastatic, HR+, HER2- Only					OncoPanel							
Non-Metastatic MLH1 deficient Colorectal Cancer						BRAF V600						
Metastatic					OncoPanel							
Gastrointestinal Stromal Tumour						OncoPanel						
Glioblastoma						MGMT promoter methylation						
Glioma Low Grade Infiltrating						Focus Panel						
					Stage IB to IIIA	IIIA Focus Panel (Includes ALK IHC/FISH, PD-L1 IHC)						
Lung Cancer Non-Squamous, Non-Neuroendocrine					Stage IIIB to IV		Focus	Panel (Includes ALK IHC/FISH, PD-L1 IHC)				
					Progressing on	TKI		T790M ctDNA (Plasma ccfDNA) Treatment: Panel (Tissue Biopsy)				
Stage III						BRAF V600						
Melanoma Non-Resectable/Metastatic						Focus Panel OR OncoPanel						
Ovarian/Fallopian T	ube/Perit	oneal Ca	ncer	High-grade	serous	OncoPanel						
Prostate Cancer Metastatic						Order OncoPanel first ctDNA if tissue unavailable/inadequate OncoPanel (Tissue Biopsy) ctDNA Panel (Plasma ccfDNA)						
Salivary Cancer						Focus Panel						
Thyroid Carcinoma Medullary and differentiated					Focus Panel							
Other						For approval, email CancerGeneticsLab@bccancer.bc.ca						
Instructions/Notes												
Requesting Physician: For FFPE specimens, please complete, sign, and fax form to the hospital pathology lab holding the specimen (not CGL)												
Hospital Pathology Lab: Please ship specimen with copies of this form and path report to: BCCA Pathology - Room 3225, 600 West 10th Avenue, Vancouver BC V5Z 4E6
